Catch fire from heaven, catch fire for You,
Jesus; Catch fire, let Your love burn in my heart. Let me catch
fire from heaven, catch fire for You, Jesus, catch
fire! Only You supply the spark to catch
fire.

Fine

1. Like Your ser-vants long a-go, I pray for fire
2. Like a torch that fights the wind, Lord, carry me;
— send Your Ho-ly Spir-it's flame.
— lead me through this veil of night.
On my own I'll ne-ver know Your heart's de-sire,
Let me blaze a path to win Your vic-to-ry
— and the pow-er in Your name. Let me catch
— for the ones who need Your light. Let me catch
